

VI EU Green week: Circular solutions for a competitive EU

"Green week in Lublin. Air, Earth and Water – a walk among elements".

Date: **5-6 June 2025**

Day 1: Science and technology

Day 2: Natural and other sciences

Place: on-line/Lublin, Poland

The conference is free of charge for academics.

International conference to be held for the sixth time in 2025. On the first day we will discuss: Science and Technology and on the second day: Natural and other sciences.

EU Green week: „This year, the EU Green Week is all about the circular economy.

With its potential to drive sustainable competitiveness, reduce waste, and promote innovation, circular economy offers a compelling solution to some of the EU's most pressing challenges".

Plenary lectures:

- "New approaches to water management: Rain harvesting and green roof examples"
 - Prof. Atılğan Atılğan, Alanya Alaaddin Keykubat University, Türkiye
- „Determinants of consumer pro-environmental CE-related behavior"
 - Assoc. Prof. Ania Krakowiak-Bal, University of Agriculture in Krakow, Poland
- “Could vitamin D3 inhalations be a panacea for pulmonary fibrosis? Studies in the murine model of hypersensitivity pneumonitis”
 - Assoc. Prof. Marta K. Lemieszek, Institute of Rural Health, Lublin, Poland
- The Achievement Of Municipal Waste Recycling Targets In Poland. - Challenges For The Next 10 Years
 - Assoc. prof. Ing. Mateusz Malinowski, University of Agriculture in Krakow, Poland

We invite you to register both as an active participant (**presentation, poster**) and as a listener. During the conference there will be a competition for the best abstract.

Posters will be presented in the form of a looped PowerPoint presentation (3 slides). The scheme will be provided in the next announcement.

We are waiting for submissions **until 10 May 2025**. Please prepare your abstract on the attached form and send them by e-mail: GreenWeekinLublin@wp.pl

Authors have the opportunity to publish their work in journals:

- Veterinary Medicine – Science and Practice <http://www.medycynawet.edu.pl/>
- European Journal of Medical Technologies <http://www.medical-technologies.eu/publishing-house,116.html>

Articles are accepted for publication after positive peer review. Journals are subject to publication charges. The estimated date of publication is October - November 2025. If you have any questions, please contact by e-mail: GreenWeekinLublin@wp.pl

Representatives of NGOs, private companies and other organisations wishing to participate in the conference are welcome to contact us.

The event is carried out with the financial support of The City of Lublin, as part of the Academic Lublin Program
